Great Send-off to Japanese Reservists—Land for Settlers.

MAUI, Nov. 5.—Politics during the past week on Maui has been comparatively quiet. The most important event to Republicans was the desertion of the Home Rule party by Charles Kanaeholo and Solomon Kawaihoo, prominent Home Rule leaders of Wailuku.

Kanaeholo was the president of the Home Rule Wailuku precinct club and Kawaihoo has been nominated for the legislature by Home Rulers. It seems as if the Home Rule party on Maui is permanently breaking up. It is also stated that both S. E. Kaiue and F. W. Beckley are waiting only till November 8 is past to declare themselves Republicans.

In joining the Republican party, Kanaeholo and Kawaihoo stated that there was no longer any hope of the Home Rule party accomplishing anything. The purpose that caused its formation, the restoration of the Queen, was irretrievably dead. The only live parties were the Democrat and Republican. They chose the latter because it was in power and could and would do more for Hawaiians than the former.

These two Wailuku leaders have been making a tour of East Maui during the week preaching Republican doctrine to the natives, beginning on Tuesday night at Keokea, Kula and departing on Wednesday for Kaupo. They are expected in Wailuku to-night.

Last night all the Republican candidates for senators and representatives excepting Geo. Copp took the steamer Kinau at Maalaea Bay intending to meet a special steamer from Honolulu and take passage in it for the Molokai Settlement and there do some campaigning.

CITIZEN LABOR ABUNDANT.

The work on the new government road at Muoolea between Kipahulu and Hana is being pushed forward rapidly by the use of citizen labor of which an abundance can be obtained in the vicinity.

More than 100 men have been regularly employed until this week by J. W. Springston who has charge of the project for contractor L. M. Whitehouse.

As the road is nearing completion (it will be finished in five or six weeks), Mr. Springston has recently discharged about half his force. He much prefers citizen to Japanese labor, thinking the former more economical.

OFF FOR THE WAR.

Saturday, October 29th, was an exciting day for Maui Japanese, about one hundred of them leaving for the war in the East. At Wailuku the reservists from that town were conveyed to the railroad depot by a long line of hacks. Thirty sailed away from the landing at Lahaina and fifteen or twenty departed from Paia, Hamakua and Kula.

From the camp at Paia plantation several hundred people, men, women and children, marched a mile or so to the railroad station escorting the soldiers bound for the war. A bugler and a drummer headed the procession followed by fifty cavalry and fifty infantry, all in uniform of blue and brown—the former armed with tin swords and the latter with wooden guns. Nearly every one carried a white and red flag. Behind the men in uniform came several hundred in kimonos and ordinary garb.

Twenty of the reservists summoned from Hana could not be found owing to a change of residence. When recalling its soldiers the Japanese war office sends a registered letter to each one inclosing an order on Yokohama Specie Bank of Honolulu for \$100 in gold to pay expenses.

HOMESTEADS WANTED.

Apropos of the 4000 acres of Hale-

kala Ranch land in Makawao, the lease of which from the Government expires in January, 1905, 2000 acres of it is above the forest line and will be probably reserved for forest land by the Government; the other 2000 acres is situated on the slope between Mrs. H. G. Alexander's premises in Makawao and Olinda, and is dry pasture land covered with manie grass.

A petition has been recently forwarded to Commissioner Pratt praying that this land be opened to homesteaders.

As there is not water available and the region is subject to frequent and long-continued droughts, it will be most difficult for homesteaders to make a living from these lands. A portion of the upper section should be allotted to persons wishing to build summer homes, as the vicinity is a most healthful one, possessing a cool, bracing climate 3000 or 4000 feet above the sea level. Near by are the summer resorts of H. A. Baldwin, J. B. Castle, and F. L. Stolz.

OTHER AVAILABLE LAND.

At Omopio, Kula, is another 2000 acres of government land, or rather 1600 acres exclusive of kuleanas, that will soon be opened to settlers by the land department. This land though dry will have a supply of water led on to it by a pipe coming from springs in the forest above Olinda and will be rented to people who may colonize Omopio at a moderate rate. This land is well adapted for sisal growing and adjoins Haleakala Ranch lands devoted to the same product. Not only that, but the Maui Agricultural Co., or Haleakala Ranch Co., will eventually establish a sisal mill there to whose advantages all neighboring planters will undoubtedly be welcome.

This Kula land seems to be a much better proposition for homesteaders than the Makawao lands.

KINDERGARTNERS MEET.

Today at Lahaina will take place a convention of Maui kindergarten teachers. All the teachers from the "Alexander House," Wailuku, Miss Mosser and assistants of the Paia kindergarten, Miss Steele and assistants of the Hamakua kindergarten, Mrs. H. P. Baldwin and others will attend.

THE MIKADO'S BIRTHDAY.

On the 3rd the Mikado's birthday was most elaborately celebrated by Maui Japanese. More preparations were made for its observance this year than ever before. On several of the plantations uniformed companies of men have been drilling for weeks past, some with tin swords on horseback as cavalry and others with wooden guns on foot as infantry. Even the young boys caught the warlike spirit and sported uniforms of blue and brown. Then in addition to the flying of numberless Japanese flags from every dwelling, large arches of greens and flags were erected at the principal gates of the various plantation camps.

At the Kahului polo grounds in the afternoon a very large crowd from all the surrounding country assembled for sports and games.

NOTES.

Monday evening a Halloween party was held by twenty-five young people at the residence of Mr. and Mrs. D. C. Lindsay of Paia. According to tradition supernatural influences must have prevailed in earnest, judging by the sepulchral-looking forms wrapped in sheet and pillow-case that wended their ghostly way from the Frank S. Alexander residence to the adjoining Lindsay home during the early hours of the eve of All Saints. Despite appearances a most jolly evening was spent.

Yesterday at Makawao Court House, Judge Copp sentenced a 13-year old Portuguese boy to a term of five years in the Reform School. The cause of the punishment was given as follows: Friday evening, October 28, the boy stole a horse, saddle and bridle from the premises of W. C. Crook of Makawao, and rode the animal to Kanaeholo, where he was arrested by a Lahaina policeman in the act of driving cattle with the stolen horse.

It is stated that the Maui Hotel property of Wailuku will soon revert to its former owner, Carl Waldeyer. The hotel was not the lucrative investment anticipated.

The coal vessel General Fairchild cleared for Port Townsend yesterday. It has been unloading coal at Kanaeholo for several weeks past.

Dr. Wall, the Honolulu dentist, is at Kilauea.

Wednesday afternoon the Ladies' Reading Club met at the residence of Mrs. H. A. Baldwin of Hamakua. "The American Indian" was the topic. Mr. and Mrs. J. N. S. Williams of Puunene and Mrs. Dowsett of Makawao departed for Honolulu today, called by the critical condition of Mrs. Green, who is the mother of Mrs. Williams and the sister of Mrs. Dowsett.

At a polo game played last Saturday afternoon, F. E. Baldwin, H. A. Baldwin, Fred Baldwin and E. Peck won over W. O. Aiken, C. C. Krumpholtz, G. S. Aiken and J. Thompson by a score of 3 goals to 1.

Weather: Several inches of rain on Monday night and Tuesday. Pleasant the remainder of week.

A SMALL BOY'S DIARY.

There is a certain nine-year-old kid in this city who is keeping a diary. The book was given him last Christmas by a relative, and his father had forgotten all about it until he accidentally found the volume the other day. Curious to see what his small son had written in it, he opened the book and found that the diary had been faithfully kept. Here are a few of the entries:

"I am 9 years old to-day. Looked in

MEN, I'LL CURE YOU

Let any man who is weak, broken down, old and decrepit in physical weakness, full of pains and aches, gloomy, despondent and cheerless—any man who wants to be stronger and younger than he feels—let him come and

tell me how he feels, and if I say that I can cure him I will forfeit \$1,000 if I fail. I don't want money that I don't earn. I don't need it, and am not after it. But I am after the dollars that are now going wrong in the quest of health. Look at all these poor wrecks of humanity that are spending all they earn on drugs—dope that is paralyzing their vital organs—that have spent all they have earned for years without gaining a pound of strength for the hundreds of dollars wasted.

That is the money that I am after, because for every dollar I take I can give a thousand per cent interest. I have cured so many cases right here that I can prove my claims to you, but if that proof is not enough I'll give you the names of men right near you—where you are. Is that fair?

Most of the belts that I am selling now are to men who have been sent here by their friends whom I have cured. I think that is the best evidence that my business is a success from the standpoint of cures, as well as on the dollar side.

Just lately I have received letters of praise from these men: James P. Daniels, 709 Divisadero street, San Francisco. He was cured of a back trouble of 12 years' standing.

J. M. Gaskill, 220 Chestnut ave., Santa Cruz, Cal., who says I cured him of indigestion, constipation, Nervousness and Lumbago from which he had suffered 15 years.

Wherever you are, I think I can give you the name of a man in your town that I have cured. Just send me your address and let me try. This is my twenty-fourth year in the business of pumping new vim into worn-out humanity and I've got cures in nearly every town on the map.

Write to me. I've got a nice book on men that I'll send sealed, free, if you inclose this ad.
